

Women's Future Leadership Academy

Join us as a virtual volunteer mentor!

This collaborative year-long virtual series inspires the next generation of female leaders and brings professional women from a variety of career stages and backgrounds and high school girls across NJ together to share advice, learn new skills, and set goals for the future.

Engaging. Weekly activities feature interactive breakout sessions led by volunteer mentors that encourage all participants to learn, get involved and network.

Equitable. Open to all NJ students at no cost, and accommodates all time and technology constraints by allowing students to join the virtual sessions live or view them on demand.

Empowering. Topics designed to give the next generation of female leaders the confidence and skills they need to dream big and reach their full potential. Students who complete the program receive a digital badge for career readiness.
