Empowering Girls to Dream Big

Friday, March 31

Friday, May 12

Friday, May 19

JA Education Center, Edison

Virtua, Voorhees

Goldman Sachs, Jersey City

Thanks to its sponsors, this free, collaborative girl empowerment series brings together hundreds of professionals from a variety of career stages and backgrounds with hundreds of high school girls from across the state to share advice, learn new skills, and set goals for the future. Engaging half-day sessions begin with featured speakers or moderated career panels, followed by interactive small group mentoring led by volunteers that encourage participants to learn, get involved, and network. Events are designed to give the next generation of female leaders the confidence and skills to dream big.

"These workshop pushed me to persevere in the face of failures, and to find inspiration in others' successes. I should embrace challenges, accept criticism, and continue to learn. Thank you for the opportunity!" - Grace M., Jose Marti STEM High School, Union City
