

# JA Inspire Virtual Career Expo

Inspiring Tomorrows™

Presented by:

JA Inspire Virtual is more than a career expo. It is an **interactive digital platform** where students attend **webinars** and **presentations**, explore a diversity of **company-sponsored career booths**, and **interact with volunteers** using a chat box. There will be a diverse representation of employers, industries, career paths, STEM, and higher education options to explore at the expo (see next page)...to inspire our young people for bright futures here in NJ. **This experience is offered at no cost to schools & organizations.**
