

# JA Women's Future Leadership Forum Virtual Academy

Inspiring **Tomorrows**™

JA's signature girl empowerment forum has been reimagined to keep us all connected virtually. This 7-week collaborative series will kick-off with an executive panel and bring professional women from a variety of career stages and backgrounds and high school girls across New Jersey together to share advice, learn new skills, and set goals for the future. With three Series' held in school year 2020-2021 for a total of 22 weeks, it offers multiple opportunities to participate, and is designed to accommodate all teacher and student schedules, inspiring tomorrows in hundreds of high school girls. The weekly activities in each Series, available for synchronous and asynchronous learning, will feature topical sessions led by volunteers that encourage all participants to learn, get involved, and network, with topics designed to give the next generation of female leaders the confidence and skills they need to dream big and reach their full potential. Most of all, we'll lift each other up and help each other grow.

**Tuesdays**  
**2:00PM – 3:00PM**
